Experience

Trader Joe's
CREW MEMBER

Olympia, WA
NOV, 2021 - CURRENT

- Opperated in a team while being results oriented; making sure to meet constant deadlines as well as maintaining inventory. This includes assisting customers with any purchasing decisions.
- Demonstrated interpersonal skills by regularly maintaining customer relationships & helping them make informed buying decisions in a collaborative enviroment.
- Time-management skills when stocking product as well as engaging with customers to create a fun, safe, & productive enviroment; utilized critical thinking skills in a fast-paced, product-driven enviroment

The Valley Athletic Club
FLOOR STAFF

Tumwater, WA
AUG, 2018 - AUG, 2019

- Kept all of the facilities consumables stocked while maintaining a high level of cleanliness within the club. This required efficient time-management skills as well as planning ahead.
- Job duties also required interpersonal skills such as conversing with members. We were also encouraged to work as team to keep morale & team spirit up.
- Experience working under extreme stress such as escorting emergency services in situations when a member would find themselves injured while maintaining composure & communication with those involved.
